## **Welcome!**

This one-day virtual conference will be a tremendous opportunity to promote your products and/or service to a very exciting and influential market. This year's conference has a tremendous line-up including Dr. Craig Liebenson, Dr. Nick Winkelman and Brett Bartholomew amongst many other great speakers. The conference attendees will include sports chiropractors, physiotherapists, athletic therapists, medical physicians and strength & conditioning coaches from around the world.

We are anticipating at least 200 delegates to attend this virtual conference. This year's conference builds on our very successful sports symposiums hosted by the Royal College of Chiropractic Sports Sciences (Canada) over the past 6 years. These conferences have averaged between 160-180 delegates in attendance. The virtual platform will allow for access to many more delegates from around the world.

Thank you for your consideration of our conference.

Yours Truly,

RCCSS(C) Conference Committee

## Conference Hours
